

## The Department of Nutritional Sciences Fall 2021 Seminar Series

**“The effects of the food and physical activity environment on weight status of children from low-income, high-minority populations: What have we learned and why does it matter?”**

**Michael J. Yedidia, Ph.D.**

Professor, Center for State Health Policy,  
Institute for Health, Health Care Policy, & Aging Research,  
Rutgers University

Host: Daniel Hoffman, Ph.D.  
Professor Nutritional Sciences, Rutgers

**Wednesday, November 17, 2:15 PM**

Zoom Registration: <https://go.rutgers.edu/Yedidia-Seminar>

Dr. Yedidia will discuss selected findings from the New Jersey Child Health Study (NJCHS), an NIH-funded, longitudinal cohort study of school-aged children in Newark, Trenton, Camden, and New Brunswick.
