

## The Department of Nutritional Sciences Spring 2022 Seminar Series

### **"Protein-Energy Wasting in Chronic Kidney Disease: The Intersection of Science & Stakeholder Engagement"**

**Laura Byham-Gray, Ph.D., RDN, FNKF**

Department of Clinical and Preventive Nutritional Sciences  
Rutgers School of Health Professions

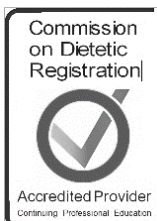

Host: Sue A. Shapses, Ph.D., RD  
Professor of Nutritional Sciences, Rutgers

**Wednesday, January 26, 2022 @ 2:15 PM**

**Zoom meeting:** <https://go.rutgers.edu/Byham-Gray-Seminar>

Protein-energy wasting in chronic kidney disease has emerged as an independent risk factor for mortality, but its etiology is highly complex, involving physiological, metabolic, and psycho-social determinants. In this seminar, Dr. Byham-Gray will share her data that explored such traditional predictors as well as the discovery of novel factors learned from the lived experiences of patients, affording a more comprehensive description of this syndrome and its relevant management.

Rutgers University, School of Environmental and Biological Sciences, Department of Nutritional Sciences is a Continuing Professional Education (CPE) Accredited provider with the Commission Dietetic Registration (CDR). CDR Credentialed Practitioners will receive 1 Continuing on Professional Education units (CPEUs) for completion of this activity. For more information, please contact the DPD Director, Dr. Virginia Quick via email at [vquick@njaes.rutgers.edu](mailto:vquick@njaes.rutgers.edu). CPE Certificate: <https://nutrition.rutgers.edu/CPECertificate.pdf>
