

DEPARTMENT OF NUTRITIONAL SCIENCES SCHOOL OF ENVIRONMENTAL & BIOLOGICAL SCIENCES (SEBS)

COURSES REQUIRED FOR DIDACTIC PROGRAM IN DIETETICS (DPD) VERIFICATION STATEMENT*

- To become a Registered Dietitian Nutritionist, students need to complete the required DPD courses found below in our program accredited by the Accreditation Council of Education in Nutrition and Dietetics to obtain a DPD Verification Statement.
- Additional coursework in the major is required to receive a B.S. in Nutritional Sciences; <u>this</u> includes the following courses or equivalents: General Psychology, Introduction to Sociology, and <u>Economics</u>.

For more information visit:

https://nutrition.rutgers.edu/undergraduate/graduation-requirements.html

- Many courses have prerequisites. Course descriptions online list all prerequisites.
- Some courses may be offered <u>only</u> in fall or spring; check online course registration for offerings.

Some courses may be offered only in fall or spring; Poquired Professional DPD Courses	
Required Professional DPD Courses	Required Science DPD Courses
11:709:102 Careers in Nutrition	01:119:103 Principles of Biology
