

Summary: Plan for Implementing New Dietetics Curriculum

2022-2023 AY

- Students entering as Year 1 in Fall take NEW CURRICULUM.
- Students entering or transferring as Year 2 switch to NEW CURRICULUM; add 11:709:102 Careers in Nutrition to Year 2 Fall course load to stay on track.
- Students entering or transferring as Year 3 switch to NEW CURRICULUM with some exceptions made to prior coursework completed.
- Students entering as Year 4 in Fall stay with FORMER CURRICULUM; however, take full year of MNT coursework instead of Nutrition & Disease and Nutrition Counseling (i.e., MNT I, Nutrition Therapy & MNT II)

2023-2024 AY

- Students entering as Year 1 in Fall take NEW CURRICULUM.
- Students entering or transferring as Year 2 in Fall take NEW CURRICULUM.
- Students entering as Year 3 in Fall take NEW CURRICULUM.
- Students entering as Year 4 in Fall take NEW CURRICULUM with some exceptions made to prior coursework completed.

2024-2025 AY

- All years transitioned to NEW CURRICULUM.

Note: New dietetic courses in chart below are highlighted orange while changes in semester course offering are highlighted blue.

Department of Nutritional Sciences Teaching

Fall 2022

11:709:102	Careers in Nutrition (1)
11:709:255	Nutrition & Health (3)
